PROFILE

Born and raised in Wyoming, Cameron started his film career in action sports and documentaries inspired by the outdoors. He now lives in Los Angeles, where he has tailored his visual style into a variety of work from Commercial, Fashion, Doc, Music Videos, and short films. Cameron actively works as a Director of Photography, Camera Operator, and Assistant Camera.

"I approach a new project with open arms, I want each project to be unique with motion, lighting, and feel. No project is too big or small. I enjoy taking on a challenge that enables me to step outside of the box creatively and try something new."

WORK EXPERIENCE

2019 - PRESENT

Los Angeles, CA

Freelance Director of Photography

- Create and manage the camera team, ensuring efficiency and quality throughout each production.
- Oversee lighting and camera movement to ensure the look fits the project and overall vision of the Director/Client.
- Work with the director in a close creative setting to ensure their vision is met with the utmost respect and creativity.

2021-2023

Vault Rentals

Head Prep-Technician

- Manage and assist camera preps, ensuring each production is left with the proper gear to execute properly
- Create relationships with the AC's prepping to make positive client interaction and returning customers.
